Commissioner for Patents

The reply filed on 1/26/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicant argues that since the limitation of cancelled claim 22 has been added to all of the independent claims that the claims are allowable; however claim 22 only depended on claim 19 which depended on claim 17 and the limitation was not examined with any other independent claims therefore the applicant's remarks should have explicitly stated why the independent claims, including claim 17, are allowable over the prior art of record. Please note that claim 17 is included because claim 22 depended on claim 19 and not 17 so therefore adding claim 22 to claim 17 changes the scope of the claims as originally examined. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas B. Blair whose telephone number is 571-272-3893. The examiner can normally be reached on 8:30am-5pm Mon-Fri. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Caldwell can be reached on 571-272-3868. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
